ARCADE Stakeholder contributions cycle

What can we do for each other?

ARCADE

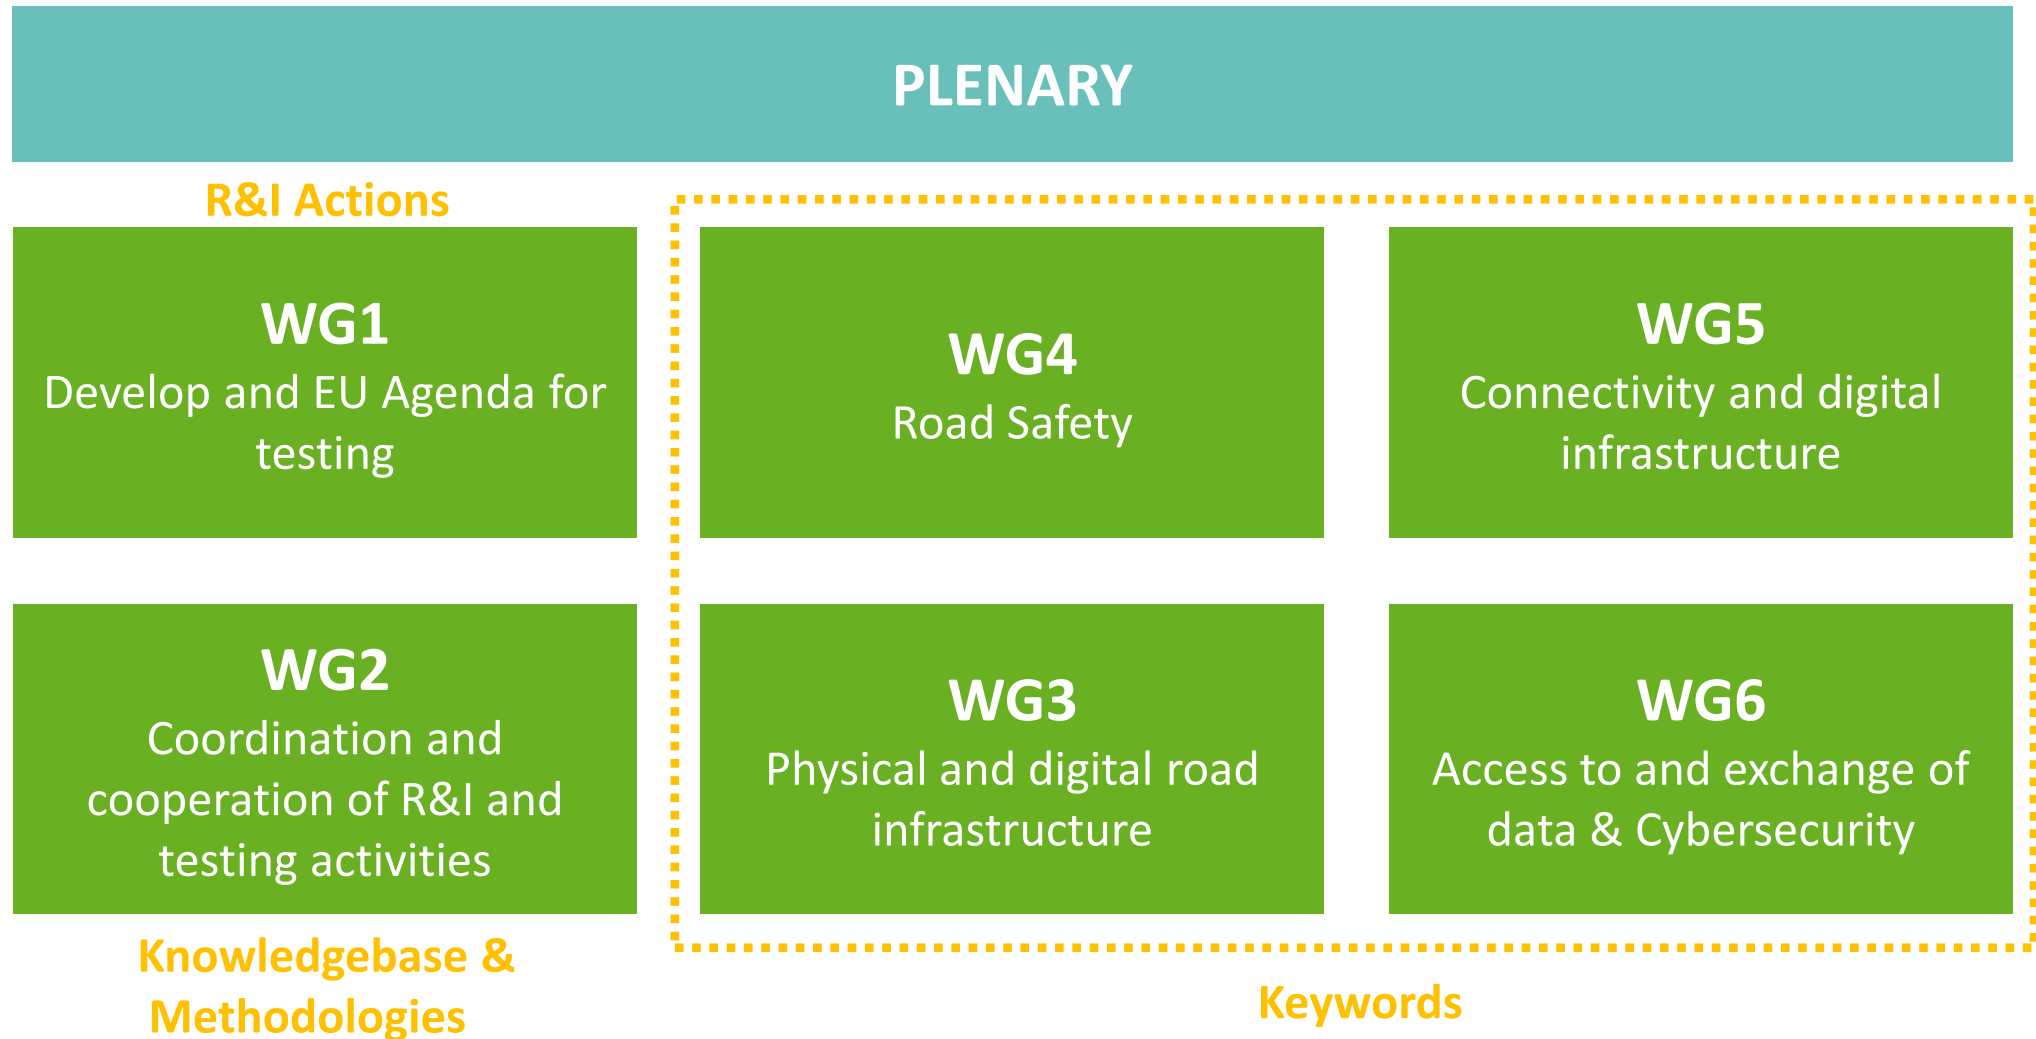

- Feedback on the draft results from Thematic Areas
- Adjust /cross-out research needs already covered by other projects
- Consolidation of a Roadmap for Europe
- Get feedback on the Knowledgebase, projects and methodologies
- Promote the developed frameworks and extend their usage
- Identify needs from new stakeholders

Stakeholder Network

- Exchange knowledge and best practices
- Collaborate with other stakeholders and sectors
- Identification of gaps and outstanding bottlenecks
- Build synergies amongst R&I programmes
- Define common approaches
- Benefit from the legacy and SoA of the CAD Support Actions
- Contribute to shaping the next steps for the Support Action
